Full job description

With a wealth of experience and expertise across a range of imaging modalities and sub-specialities, I-MED Radiology is committed to providing a superior and caring, professional service and the highest quality diagnostic imaging expertise.

In Mt Isa, we have an opening for a General Radiologist seeking work life balance in a fully comprehensive clinic with no-on call or after hour requirements.

Mt Isa is the true outback of Australia, based in Central Queensland. The city has proven itself to be a cosmopolitan centre with a history rich in Aboriginal culture. It is a DWS moratorium reduction location reducing to 5 years.

Key selection criteria:

- FRANZCR
- Specialist registration with AHPRA
- Sound general radiology skills

If you're seeking a new move at I-MED and are passionate about delivery of excellence in medical imaging services to patients, referrers and the community, we encourage you to apply today.
