Full job description

Location: South West Sydney

Salary package: \$90k + Super

Role highlights: National brand retailer, work across product lines and business units, high performing and collaborative culture and parking onsite. Opportunities to progress.

Job Overview

As the Financial Accountant you will be reporting to the Accounting Manager. You will be responsible for the preparation of financial reporting and analysis to enable effective decision making for the business unit. You will prepare month end accounts, management reports, analysis and detailed commentary for the business. In addition, you will work closely with the Accounting Manager to ensure accuracy and on time reporting of all financial and statement disclosures. This role will give you the opportunity to derive and communicate financial advice to key stakeholders in the business.

Responsibilities

- Preparation of month end accounts, monthly management reporting, P&L analysis and detailed commentary
- Balance sheet reconciliation preparation and review
- Review fixed assets registers to ensure they are reconciled and properly maintained
- Assess and work closely with key stakeholders in relation to the adoption of new accounting standards including the documentation of accounting changes, process and/or system impacts and change implementations
- Assist in the development and implementation of robust financial controls and policies

Candidate Profile

- You are degree qualified Accountant, with a CA/ CPA qualification
- Strong technical accounting experience (IFRS/AASB)
- Exposure in a multinational organisation; listed environment highly desirable
- You have a keen eye for detail and precision
- You are confident, have strong communication skills and are able to communicate key insights to stakeholders
- Strong excel skills (power pivot, power query and formulas)

The Company, Culture & Benefits

A national Australian Retailer, this organisation is a transforming brand that is embarking on its next phase of growth. The organisation will provide a highly capable Financial Accountant an opportunity to elevate their brand. Perfect for a candidate with 3 - 4 years of experience post university.
