FITTER

INDUSTRIAL EQUIPMENT

MAINTENANCE

Full job description

Your new company

This multinational corporation manufactures construction, mining, and industrial equipment for a variety of companies worldwide. With over 100 years in operation, they have an excellent reputation for being one of the industry's best. Due to continued growth, they are looking for new Diesel Fitter's to join their Wacol based operation.

Your new role

You'll work with other skilled tradespeople from a variety of backgrounds to ensure build progression to meet customer delivery dates. Your daily duties will include:

- Operating a variety of mining equipment
- Carrying out build, maintenance and service on different trucks and industrial equipment
- Ensuring a high level of health and safety is maintained
- Completing work to a high standard of quality

What you'll need to succeed

Your previous experience as a Diesel Fitter working on a wide range of equipment will be key to your success. As an experienced Diesel Fitter, you will have:

- Experience working on mining vehicles
- Valid working at heights ticket
- EWP Licence
