Full job description

Your new company

Our client sits at the top end of the market in terms of their reputation, the work they offer, and the quality of their Lawyers. They have a strong VC practice assisting with the establishment of businesses for their client base ranging from corporate entities to funds and other investors.

Your new role

The VC team based in Sydney works collaboratively with the firm's other offices in Europe and Asia, offering an interesting element to this innovative role. These high level and sophisticated deals will involve providing a range of tailored advice under the guidance of leading Partners in the industry.

What you'll need to succeed

In order to be considered for this role, you will have the following experience:

- Currently admitted to practice as a Lawyer in Australia
- Between 1-4 years of venture capital, or related experience
- Experience would have ideally been gained from a top-tier or mid-tier practice, or from an in-house role

What you'll get in return

This is an exceptional opportunity to move into a VC role at the junior to mid-level and learn from the top Lawyers in the market. The work is interesting, and cutting edge, and will put you on the right path for a strong and successful career in law. You will receive an excellent salary and benefits package.
