Full job description

Job description

Our client, a leading manufacturer of steel screw piles requires an experienced and quality metal fabricator to start work as soon as possible. This is a good opportunity for stable employment as this NCOP code compliant business has a reputation for having low employee turnover and offering long-term steady employment.

To be successful for this role, you will need to:

- Be a trade qualified welder/ metal fabricator with at least two years of recent fabrication experience
- Have the ability to read and interpret technical drawings
- Be able to operate relevant plant and equipment
- Pass a pre-employment medical
- Be flexible to work some weekends in addition to normal shifts
- Forklift, EWP, and/or Dogman tickets are advantageous

What's in it for you?

- Excellent pay rates with an annualised wage \$55,000 to \$60,000
- Immediate start
- Great team environment

If you feel you meet the above criteria, please apply now.

Job Types: Full-time, Permanent

Salary: \$55,000.00 – \$60,000.00 per year
