Full job description

SAP Fiori UI5 Analytics Trainer

We are currently looking for 2 Consultants to work on a cutting-edge project. Prefer you to have experience with S/4 Hana and must be an SAP Fiori guru having been involved in multiple implementations. SAP Training certs also very nice to have although not essential. We need a strong communicator and power user who understands the complexities of SAP Fiori and Analytics but can also break it down in lay terms to the stakeholders.

Strong technical understanding of SAP Fiori and the analytics capabilities. This role will be showing the stakeholders the utilisation and potential of Fiori & Analytics. communication skills are needed for this role.

4-month contract term with Immediate start and potential to extend.

If this sounds like you please get in contact with David on 0422 229 220
