Full job description

Town -

Mackay is a city in Queensland, on Australia's east coast. Off the coast is a section of the Great Barrier Reef. Closer to shore are the islands of St. Bees, with reefs, rainforest and koalas, and Keswick, rich in marine life. Mackay itself is known for its Harbour Beach, marina and Bluewater Lagoon, a city water park. Inland from Mackay, Eungella National Park is a habitat for rare frogs and platypus.

Practice -

The practice seeking a motivated Physiotherapist to join our dedicated, well established team of 14 physiotherapists.

This private practice has operated in Mackay since 2008 our clinic offers progressive technology, 12 treatment rooms, purpose built rehabilitation gym and Pilates studio.

Situated in the fast growing region of Mackay, you will feel welcome with inviting people, beautiful beaches and a fabulous climate all year round.

Candidate -

We are offering full time or part time employment with flexible conditions and working hours for an experienced clinician to assist with our clinic's growth.

We offer substantial funding for external courses, regular in services, and up to 50% commission with a guaranteed base pay that is above award.

You will be welcomed as part of our team of 14 Physiotherapists who follow evidence-based treatments with patients' best holistic health outcomes always in mind. We share information as a team to deliver the best clinical outcomes.

We are comprehensive, with longer than average consultations, thorough treatment plans and excellent communication skills.

Our caseloads are varied, with options in elite sports, orthopaedics, neurology

NDIS, pelvic floor and continence, occupational health, and complex-chronic conditions, Clinicians can structure their caseload to suit their own preferences.

Our ideal Candidate is:

- Interested in our career progressive structure
- Highly motivated and organised
- High achieving in a fast paced environment
- Has a proven work ethic
- An excellent communicator
- Possesses great people skills
