CHANGE MANAGEMENT

Full job description

Your new company

Major FMCG organisation undergoing a business wide SAP implementation. In response to this, they are seeking a Change Lead to get the business ready for change and lead through this journey.

Your new role

You will be responsible for leading the change and influencing the business for a successful transition and change. You will also be involved in the communication plans and the impact the project will have on the business and it's people. Responsibilities will include:

- Developing thought leadership for change in the project
- Implement the best practice change strategies for successful outcome of project
- Provide support for the training development and delivery
- Providing engaging communication plans for the business

What you'll need to succeed

In order to be successful you will ideally have:

- Experience working on a SAP implementation project
- Business wide transformation project experience will be highly regarded
- Strong communication, HR or consulting background would be highly advantageous
- Certified in Change Management will be highly regarded
