### **The Medical Centre**

The practice provides an integrative approach to wellness, combining traditional allied health therapies with complementary therapies to provide the whole family with holistic care in one location. established in 2009 offers education and empowerment to support our clients in making confident health choices in optimal growth and healing. The practice aims to work with our clients in creating a plan for improved health and quality of life over a lifespan, teaching healthy habits that can be passed on from mother to child, and to their future families. offer holistic treatment programs for a wide range of problems including postural issues, sports injuries, and work-place rehabilitation support, which integrate several techniques for long-term results. The practise offers a range of services such as chiropractic, physiotherapy, physiotherapy of kids, massage, exercise physiology, family health, naturopathy and nutrition, acupuncture, natural therapies, counselling, occupational therapy and more.

### **The Location**

The practice located in North Lakes is a suburb of the Moreton Bay Region, Queensland, Australia. North Lakes is located approximately 26 km north of the Brisbane central business district. North Lakes offers by far the best amenities and services of all suburbs in the Moreton Bay region. It has easy access to the M1 and thus also to the Brisbane Airport and the Sunshine Coast. Commuting 28 Kms to the Brisbane CBD is naturally time-consuming, but not more so than from any other equidistant suburb from the city. The new Mango Hill train station on the Redcliffe line is within an easy 10 to 15 minutes' drive from most parts of the suburb and offers a good commuting option for people preferring to go to work by train. North Lakes has the largest Westfield shopping centre North of Brisbane, is home to IKEA, Costco, Bunnings and a myriad other retail outlet. All new suburbs take time to develop a character of its own and North Lakes is no exception. It was developed as a model township around a golf course and a few small artificial lakes with an abundance of attractive park areas. It has a great choice of childcare and primary and secondary schools and has become an increasingly attractive option for young families looking for affordable housing options in a safe and green environment.

### **Eligibility Criteria**

- A Bachelor's Degree in relevant positions is required.
- Valid registration from relevant bodies in the respective field is required.
- Current Police Check and NDIS Worker Screening Check
- Professional Indemnity Insurance
- Hold current registration with AHPRA.
- Have at least one to two years of supervised professional experience

If you wish to make an application, please forward your resume to [ahp@medfuture.com.au](mailto:ahp@medfuture.com.au) or reach out to Rudy on 08 6001 6445 for a confidential discussion about this role.
