Full job description

Your new company

This Global Management Consulting Firm is a purpose-led organization that is building a meaningful future through innovation, technology, and collective knowledge. It has a foot print in 40 countries and has a proactive stance on climate change and earned it a place in leading sustainability indices.

Your new role

Working on a peer-to-peer basis with CFO's, Finance Controllers and Senior Finance business teams; this role will be a liaison that partners with Executive Management, Operations and IT leadership to accelerate adoption of technology enabled finance. You will be responsible for mentoring and coaching junior members of the team by providing them with an opportunity to deepen their skills, and actively encouraging participation.

What you'll need to succeed

Solid experience with a large consulting firm or equivalent industry experience in business finance management. Demonstrated experience in managing full lifecycle ERP's and Finance transformational initiatives ideally within a shared service center or Finance COE would be highly desirable. This role will require you to have the ability to work at client location or within a team at office premises, or under an onsite-offshore mode or remote working.
