## Full job description

### ABOUT THE COMPANY.

This company is one of the largest, privately-owned Building Regulations (BCA), Fire Engineering and Access consultancies in NSW. They partner with leading Architects, Builders, Developers and Clients, and specialise in delivering commercial-grade buildings.

### ABOUT THE POSITION.

You will report to the Manager of Building Regulations and work closely alongside Senior Consultants, receiving hands-on training and mentorship. Around 50% of the time you will be on-site, conducting inspections, and the other 50% in the office, coordinating with Consultants and writing reports.

### DUTIES.

- Assist Directors, Managers and Senior Consultants with reports and inspections
- Prepare documents with assistance from Seniors
- Assist with conducting site inspections
- Liaise with Clients and stakeholders
- Manage your own time and workflow

### SKILLS & EXPERIENCE.
