Full job description

Key role in one of the leading Aboriginal Medical Services in Queensland.

- **Shape the future direction and success of the organisation**
- **Opportunity to contribute to closing the gap in Aboriginal healthcare**
- **Excellent remuneration and benefits on offer**

The Organisation

You will be working for an Aboriginal Community Controlled Health Service that facilitates and promotes Primary Health Care Services and strives to establish state-of-the-art comprehensive Health Care for Aboriginal and Torres Strait Islander people.

The health service practices a holistic and preventative approach to health, offering general and specialist care, complemented with long-term healthy lifestyle change programs and services. The passionate and multidisciplinary team of qualified and experienced health professionals set the direction for the service and are passionate about working in and with Aboriginal Health Systems and making a difference in people's lives.

The Job

- As Clinical Director, your primary focus will be on leadership and coordination, however you will also be responsible for providing primary health care services to patients in the clinic as required
- You will oversee and consolidate a team of full-time and part-time General Practitioners coordinating team activity, including rostering to ensure adequate coverage in all clinics
- You will provide supporting to the team of GP's and other Clinicians with medical supervision
- You will provide regular, in-depth medical reports and statistical analyses of health outcomes and KPIs to funding bodies

- As Clinical Director, you will be a voice in effectively shaping medical processes and playing a key part in the future direction and success of the organisation
- This position offers great work-life balance (Monday to Friday)
- You will have support from an experienced multidisciplinary team

Rewards

- Indicative salary \$250-280,000 pa pro-rata commensurate with experience
- Exposure to diverse clinical practice
- Salary packaging, meal entertainment card, and novated lease options
- Flexible work arrangements and annual study leave
- Make a direct impact on improved health outcomes in the community

Requirements

- Vocationally registered General Practitioner with current Australian Health Practitioner Regulation Agency registration
- Fellowship of the Royal Australasian College of General Practitioners, or Fellowship of the Australian College of Rural and Remote Medicine is essential (FRACGP or FACRRM)
- Prior experience as a General Practitioner delivering primary health care services
- Prior experience in a senior capacity supervising other GP's
