Full job description

Your new company

You will be joining an ambitious and innovative Global Manufacturing company focused on delivering practical solutions to their customers.

Your new role

As a member of the Supply Chain Team your role will be to ensure supply is maintained and improved across the ANZ business. Your day-to-day responsibilities will include:

- Management of supply planning for the business across ANZ.
- Liaising with manufacturing teams across the APAC region.
- Working closely with the sales team: participating in S&OP meetings, understanding demand forecasts and ensuring supply capacity matches demand requirements.
- Managing a two-person team composed of an Inventory Planner and Sales Coordinator.
- Communicating with both retailers and 3PL partners to ensure coherence across the supply chain.

What you'll need to succeed

- Strong background within Supply Planning, with Demand Planning exposure a bonus.
- Prior experience within Retail and eCommerce in the Manufacturing space highly regarded.
- The ability to take charge of projects, get creative where necessary and work autonomously.
- Previous people management experience preferred.
- Good grasp of SAP and Excel.
- Great interpersonal skills to liaise with both suppliers abroad and other teams internally.

What you'll get in return

You will receive a highly competitive salary of \$110-120K + super, great team culture, work-life balance and the flexibility to work from home.

What you need to do now

If you're interested in this role, forward an up-to-date copy of your CV to fred.watson@hays.com.au, or call 0282269786.

If this job isn't quite right for you but you are looking for a new position, please contact us for a confidential discussion on your career.
