Full job description

Your new company

We are working with several clients that are chasing supervisory staff for construction projects in and around Adelaide.

Your new role

We have permanent site supervisor roles looking after both residential and commercial builds, each at various stages. Once we have qualified your skillset, we can advise on which project would suit your abilities best.

What you'll need to succeed

You'll need a supervisor's licence, covering your area of expertise, proven operational experience in construction project delivery, a drivers licence and a white card. A trade background is also well regarded.

What you'll get in return

We are working with our clients on permanent vacancies that will come with; an annual salary package with super, a vehicle or vehicle allowance, and a clear path for career progression

What you need to do now
