## Full job description

### Your new company

This company is well known and one of the largest Gold producers in the world. They are currently looking for a Mine Geologist to join their busy team undertaking daily mine geology duties.

### Your new role

As a motivated and committed individual, you will be able to hit the ground running and provide support to your team. You will be able to operate in a safe manner and be comfortable with:

- Working a 8D6O / 7N7O Roster
- FIFO from Perth
- Working in a production style role with operators and be comfortable mapping ,sampling and more.

### What you'll need to succeed

- You can produce a National Police Clearance (valid within the last 12 months) for site access purposes.
- You have a current unencumbered Western Australia C class drivers license.
- You are degree qualified with a Bachelor of Science in Geology or equivalent.
