Full job description

The Opportunity

At G8 Education we understand that learning begins from birth; more development occurs in the human brain between birth to 5 years than at any other time in the life span. So, we continually strive to achieve best practice in early childhood education and care from birth to 5 years. This begins with recruiting, training and retaining dedicated educators and teachers and supporting them to continue their own professional learning, which leads to positive learning outcomes for children.

At **Creative Garden Early Learning Mount Annan**, we are passionate about fostering encouragement and kindness! We are a 85 place Centre which provides quality programs in line with the new Early Learning Years Framework as well as a nurturing and engaging environment for our children to grow and develop. Our teaching philosophy is inclusivity for all children. We currently have a wonderful fixed-term, full-time opportunity for an experienced, fully registered **Early Childhood Teacher**.
