#### About Us

Set over an incredible 700,000 acres of untamed natural beauty, El Questro is truly at the heart of WA's Kimberley region. A destination unlike any other, El Questro delivers a unique and immersive holiday experience exploring one of Australia's 'last true frontiers'.

El Questro comprises three distinct accommodation offerings – the Station, the Homestead and Emma Gorge – each catering to a different style of holiday maker.

El Questro Station is the hub of the property, set on the riverbank and offering air conditioned accommodation and extensive camping options. Emma Gorge offers luxury safari-style tented cabins for experiencing the wonders of the outback in comfort. For premium travellers, the El Questro Homestead is private and exclusive, hosting 18 guests at a time in luxury accommodation atop Chamberlain Gorge and River.

El Questro prides itself on high-end experiential tourism and guests can explore the vast property by guided 4WD tour, heli tour, river cruises and much more. Working collaboratively with the traditional custodians of this historic area is a highly important element of El Questro's operations as we strive to

deliver authentic and culturally enriching experiences.

With extensive F&B operations, El Questro offers diverse dining options in each of their accommodation hubs. The restaurants and bar serve modern Australian fare with an emphasis on local and seasonal produce, and serve breakfast, lunch and dinner.
