### Description

Feel valued where you work

As the Physiotherapist or Occupational Therapist, you will be leading the clinical case management skills and customer focus in specialised assessments to a range of clients. Based in the idyllic Bowen you will be liaising with medical and health professionals to supply physio or OT services to clients.

You will be working across a diverse caseload assessing skills and capabilities, needs and strengths of individuals. You will provide a tailored support to clients, ensuring that their individual goals are achieved. You will have a background in allied health, namely Occupational Therapy or Physiotherapy and AHPRA Registration or a membership will be essential. We will be considering candidates who are on limited registration.

## **Profile**

- Qualifications and registration as a Physiotherapist or Occupational Therapist (can be limited registration)
- AHPRA Registration essential
- Demonstrated experience in working with a range of people
- Previous experience in working with solution-focused therapy and skills
- Commitment to quality and exceptional report writing skills
- Clinical leadership abilities and proven experience in exercising sound judgement
- Friendly, approachable, collaborative and professional manner
- Strong work ethic

## **Job Offer**

- Career and professional development are encouraged internally and externally
- Work for a leading healthcare provider and live by the coast for work life balance
- Comprehensive training and induction provided
- Professional Development sessions inhouse also provided

This truly is an excellent opportunity for an experienced consultant to exhibit their skills in an exciting and fresh dynamic. Become the fundamental part of this leading service and join a friendly team of staff.
