Full job description

An Innovative Landscaping construction business is now seeking an experienced Landscape Foreman. You will be overseeing small teams across multiple sites.

Works primarily include garden and soil preparation, planting & irrigation, furniture, timber & play equipment and garden maintenance and can also include paving and basic concrete. Role-specific duties will include:

- Undertaking works involving the above trades
- Organizing daily tasks for workers & subcontractors
- Managing materials and resources on site
- Coordinating with other trades on site
- Light admin and reporting work

Skills & Experience:

- Minimum 5 years experience in landscape industry
- Sound knowledge of horticultural and construction concepts
- Excellent communication skills
- Ability to manage time and plan effectively
- Ability lead and manage people and personalities
- Experience in concreting

This challenging position will allow the successful applicant to embark on a rewarding new chapter in their career.

Please note, Covid vaccinations are now mandated in the construction sector.
