Full job description

Talent Acquisition Specialist - Fixed Term AUS VIC Docklands Our recruitment team is vibrant, always focused on providing a great candidate experience amp; attracting the best talent in the market! We are looking for a Technical Recruiter who thrives on getting creative about finding awesome talent to join our team for 12 months fixed term. This role is totally flexible, you can be located anywhere in Australia - all you need is WIFI, we are open to days or hours you want to work - as an experienced recruiter you can manage your time - all we ask in return is that you help us build that talent we need for the future! About the role: * True, end to end and talent acquisition partnering role providing a brilliant experience for every candidate from application stage, interview, assessment, to closing the candidate to offer * You get to define the best recruitment method that fits the need. Not all talent attraction processes are the same. * Maintain talent pipelines to ensure we have the skill, capability and diversity including diversity of thought in all that we do. * We work together across portfolios, but this role will concentrate on sourcing Talent for our tech functions: Engineering, DevOps and Design. Collaboration is essential. * Our Stakeholders see the value in Internal Talent Acquisition and rely on us to

partner with them and be the experts, they are engaged, co-operative and inclusive. About you: * Experience in technical (IT, software, digital) recruiting experience either in-house or agency * Prior experience in a full-lifecycle, research or pure sourcing role * Strong understanding of the competitive landscape today for the software market * Inquisitive. You take great briefs, agree process and consult on the best way to achieve great outcomes * Social media savvy and a brand builder. You know how to find candidates outside of traditional methods * Relationship builder. Not just with stakeholders but externally with active and passive candidates * Fast paced. Our workload is realistic, but we are growing and it can be hectic, you know how to re-prioritise whilst remaining empathetic and focused * Authenticity, resilience and the ability to learn from failure will be key to your success What are some of the perks? Weve created an environment that gives people the freedom to do better and it allows you to define your own path. We offer a great salary, flexible working arrangements, health and wellbeing programs and so much more. We are obsessed by better outcomes every day, not just for our business but also for our people. Note: You must be a Permanent Resident of Australia or an Australian or New Zealand Citizen to be considered for this role. Successful applicants will be required to complete a background check (including criminal history and bankruptcy check) prior to commencement of employment. Posted TodayFull timeR4156 Why work at Latitude? In addition to a great culture, challenging work and the chance to grow your career, Latitude also offers a comprehensive suite of employee benefits, designed to be as individual as each of our employees. From superannuation and short term incentives to flexible working policies and a comprehensive employee assistance program, there are Latitude benefits to support your working and personal life. Additionally, the 'Congratititude' recognition program exists to reinforce our spirit of teamwork and achievement, and have a little fun along the way
