Full job description

This is a fantastic opportunity to join a locally owned business that pride themselves on providing a quality service to the community. Their workshop caters towards general servicing, as well as more involved repairs, RWC and is involved in the purchase and sale of quality used vehicles. The workshop is centrally located in Kippa-ring and has been rated the number 1 workshop in Brisbane through AutoGuru with over 100 5-star reviews.

This independent, clean and modern workshop offers extensive services to their customers including logbook servicing, general servicing, roadworthy inspections, exhaust repairs, suspension repairs, air conditioning, gearbox and clutch, tyre service and more.

Due to the volume of work, the workshop is looking for a technician who takes great pride in their work and offers exceptional customer service to their clients. They want someone who is adaptable and who can think on their feet. A Technician that can think outside the box and is able and willing to get the job done right. They must have diagnostic abilities also. Ideally you should have held your qualification for a minimum of 3 years. This position is open to candidates looking to make a move from a dealership, as well as those already working in an independent operation.

Essential requirements:

- Must hold your full qualification in Automotive (Light Vehicle)
- Hold a valid driver's license
- Have effective communication skills
- Be a strong team player
- Be proficient in diagnostics
- Be committed to workshop safety
- Have excellent customer service skills
- Be a hard and diligent worker
- Be committed to customer satisfaction

Desired:

- RWC accredited or willing to gain accreditation
- Certificate in Automotive Air Conditioning

In return for your hard work, you will be offered a very attractive remuneration package, good career outlook and be able to work in a close team environment.
