Full job description

Locum RMO cover urgently needed across ED, Surgery, O&G, Paediatrics and Medicine.

- Ongoing evenings, weekend and night shifts available
- Major tertiary referral hospital
- 50kms from Sydney CBD

The Hospital

You will be working for a 520-bed teaching hospital that is responsible for providing primary and secondary health care and high-level inpatient and outpatient services for people of all ages. Inpatient services have the capacity to manage high complexity patients who require specialist care. Services provided include emergency, critical care, acute medicine, planned and emergency surgery, maternity, neonatal, paediatric medicine and minor surgery, mental health, aged care and rehabilitation services, drug and alcohol, and a broad range of specialist outpatient clinics and services.

The Job

- Dates: ASAP start - ongoing evenings, weekend and night shifts
