about assisting children with various speech, swallowing and communication needs. Provide a range of therapy programs and techniques for children and assist them in setting and achieving their goals.

DUTIES.

- Manage a caseload of younger children with various speech-language needs.
- Conduct assessments and deliver a range of therapeutic programs.
- Collaborate with other practitioners within the multidisciplinary team.

SKILLS & EXPERIENCE.

- Degree qualification in Speech Pathology.
- Previous clinical exposure within Paediatrics and NDIS.
- AHPRA registration, National Police Check, and Working with Children Check.

CULTURE.

From the top down, this organisation truly display an extraordinary level of passion and commitment to making a positive impact in the lives of children and their families. With a fun and energetic approach to daily operations and a devotion to promoting flexible working arrangements and autonomy, coming in to work with this team will feel more like a hobby than a job.

BENEFITS.

- Highly manageable caseloads, ensuring work/life balance.
- Annual CPD allowance and budget for additional external mentoring.
- Regular team building events and gatherings.
- Large clinic with all the latest resources available for staff.
- Realistic opportunity for career progression as the team grows.

HOW TO APPLY.
