### Full job description

#### Blaster/Painters

- Attractive Hourly Rates
- Major Pilbara Mine Sites
- Ongoing Opportunities

PARC Engineering are specialists in Structural, Mechanical, Piping, Electrical and Instrumentation projects. We provide technical services to the Australian energy and resources sector with specific experience in the Minerals and Mining, Oil and Gas, Infrastructure and Power Generation Industries.

We are currently recruiting trade qualified and heavy industrial experienced Blaster/Painters for various upcoming shutdowns and project work with our clients.

These roles offer long term opportunities for the right people who will form part of our project team, focused on asset expansion and meeting growing resource demands.

#### Essential Requirements:

- Australian recognised Trade Certificate
- White card
- Relevant Fixed Plant Mechanical experience
- Safe Work at Heights
