### Full job description

At I-MED we believe in working as a team and delivering high quality healthcare, to every patient, every time.

Based at Mount Isa Base Hospital a unique opportunity exists for a sonographer looking to fast track their career to join our friendly and supportive team. This position allows for the opportunity to be exposed to an interesting case mix with training and support provided.

Mount Isa is a vibrant family friendly multicultural city in the centre of Queensland's desert. The town offers fishing in the Lake Moondarra, an annual Street Festival, ample retail and shopping facilities and a wide variety of attractions that make Mount Isa an attractive location to live and work.

#### Working for I-MED offers you:

- Opportunities to progress with I-MED's continued growth and expansion
- Latest imaging equipment and continued investment in new technology
- Commitment to continuing professional development (CPD) and career advancement
- Opportunity to supplement your income by participating in on-call rosters
- Relocation assistance
- Generous annual leave entitlements
- A range of employee benefits, such as paid parental leave and discounted health insurance
- Commitment to your health and well-being, including access to employee assistance program
- An innovative, respectful and welcoming clinic environment united in the pursuit of excellence

#### Key accountabilities include:

- Consistently delivering high quality and efficient ultrasound imaging services
- Working together with doctors, technicians and clinic staff to ensure

smooth, seamless patient care

- Promoting and maintaining the highest quality and safety standards

If you're looking for the next step in your career and are passionate about the delivery of excellence in medical imaging services to patients, referrers and the community, we encourage you to apply today.

### **Covid-19 Vaccination Policy**

I-MED has a policy which requires all I-MED staff to be vaccinated against Covid-19, unless they have a valid medical exemption. The successful candidate for this role will be required to comply with I-MED's policy and any applicable Government public health orders. During our interview process, we will be asking you to please confirm your ability to meet the above-mentioned requirements of the role.

If you are the successful candidate, we will ask you to provide us with your vaccination certificates (or other evidence, such as a valid medical exemption) before we are able to make an offer of employment to you.

By providing the required information to us, you consent to our collection, use and handling of your personal information (including health information) as specified in I-MED's People Privacy Policy available on [www.i-med.com.au/careers](http://www.i-med.com.au/careers)
