Full job description

ABOUT THE COMPANY.

Established for over 20 years and located in the CBD, this company is one of the largest, privately-owned Building Regulations, Fire Engineering and Access consultancies in NSW. They partner with some of the most recognised Architects, Builders, Developers and Clients in Australia and strive towards being an employer of choice.

ABOUT THE POSITION.

Joining a team of 13 Building Regulations Consultants, you will be responsible for mentoring and supporting Junior Consultants, while ensuring personal targets are achieved. This position offers long term career growth due to the ongoing success and strategic growth plans of the business.

DUTIES.

- Write reports and provide advice based on the Access requirements of the BCA
- Assist with training and mentoring of Assistant Building Regulations Consultants
- Attend site inspections and client meetings
- Prepare fee proposals and manage your workflow
