Full job description

Your new company

This Local Council are situated in a picturesque location and boast with numerous amenities including cafes, restaurants and glorious beaches. They take pride in offering high levels of service to the local community and ensuring safe and legal practices throughout the municipality.

Currently seeking an experienced Environmental Health Officer contracting to the end of the year with high possibility for extension throughout the year. Role is working from home with site inspections on a weekly basis with Victoria easing restrictions.

Your new role

As an Environmental Health Officer, your primary duties will include but are not limited to;

- Customer complaint investigations
- Public Health and Wellbeing Act inspections
- Food Act inspections
- Pandemic Team support
- Health promotion support and program implementation and development
- Customer engagement and setting expectations

What you'll need to succeed

In addition to having excellent communication and time management skills, you will have:

- Experience working as an EHO for a Local Council - must have
- Bachelor Degree in Public Health or equivalent
