Full job description

- Enjoy genuine progression to Associate/Director positions
- Balance your role with exciting project/Client engagement & management
- Genuine and supportive team culture and relationships

ABOUT THE COMPANY.

This national design studio focuses on a hands-on, end-to-end design and delivery process with Clients specialising in all kinds of exciting projects. They have offices in each of Australia's main cities, and enjoy collaboration across studios and a wide range of shares resources. The studio multi-disciplinary and operates in many sectors, with each state including a small to medium close knit team. Their office is based conveniently in Melbourne's CBD.

ABOUT THE POSITION.

This role is an exciting opportunity for an experienced Project Architect/Project Leader to step up and take the lead of internal teams and projects. You will have the guidance and support of an experienced and hands-on leadership team, as well as exposure to a national network of exciting projects and resources. You will enjoy an exiting balance of project and client engagement as well as internal team management, while being mentored by experienced seniors for progression into your next role.

DUTIES & RESPONSIBILITIES.

- Coordination of projects and documentation
- Internal team management and business development
