### Full job description

Start your day with a peaceful stroll along the beach, enjoying the fresh ocean air in one of the most beautiful regions in Queensland.

- Indicative package up to \$420,661
- 50-minute flight, north of Brisbane
- Sub-tropical region where the coastline meets the country creating an ideal family environment

### The Organisation

Since its establishment on the current site in 1914, this hospital has grown into the region's major medical centre, providing high quality care within an environment of continuous improvement. Services currently available at the hospital include intensive care, coronary care, obstetrics, gynaecology, paediatrics, orthopaedic surgery, general surgery, vascular surgery, 24-hour emergency medicine, pharmacy, medical imaging, pathology and comprehensive mental health services.

### The Job

- As Consultant Anaesthetist you will provide specialist anaesthetic care and related medical services in the Division of Critical Care, including after-hours on-call and weekends
- The role will assist the Clinical Director and General Manager to ensure clinical services provided are of the highest standard and delivered in an efficient and effective manner
